

The Official 2009 LSU Ornament

Every fall LSU will introduce a new ornament creating a series that will be inspirational and fun to collect. We hope that you enjoy this inaugural ornament and start collecting today.

About the inaugural ornament:

In 2010, LSU celebrates its 150th anniversary, or sesquicentennial. This ornament, featuring the Memorial Tower, helps commemorate this milestone.

All of the proceeds will be directed to our new Campus Beautification Fund (CBF). Whether it is renewing flower beds, planting or pruning our oaks, developing educational walkways, instilling in our campus family a love for our green space, or easing LSU's traffic flow, the CBF can provide funds necessary for campus enhancements that state funds cannot.

Features of the ornament:

- Lightweight and three-dimensional, approximately 3.5" tall x 2" wide
- Attractive presentation box, shrink wrapped
- Information card about the ornament and the Campus Beautification Fund
