

# The Official 2011 LSU Ornament

## The 2011 Stately Oaks Ornament

The roughly 1,200 oak trees on LSU's campus are as much a part of the university as are its students, faculty, staff and historic buildings. Steele Burden, LSU's landscaper from 1932 through 1970, planted many of LSU's live oak trees, which have been valued at \$50 million. All proceeds from ornament sales support the LSU Foundation's Campus Beautification Fund. This fund allows for campus enhancements that state dollars cannot support, such as renewing flower beds, planting or pruning our oaks, developing educational walkways, and instilling in our campus family a love for our green space.

### Ornament Features:

- Lightweight and three-dimensional, approximately 2" X 3.5"
- Attractive, shrink-wrapped presentation box
- Information card about the ornament and the Campus Beautification Fund
